

## Large Item Pick-up Policy

1. Call Monday through Sunday for the following Monday to schedule a pick-up. (Do not call on Monday expecting to have it picked up the same day.)
2. Only tree limbs and trimmings **less than 10-foot** long can be picked up. **No** trucks, logs, or spoils from timber/tree removal will be picked up for free. They can be picked up for a fee listed in item 6.
3. Items must be placed by the curb, not in the street. Do not obstruct any utility meters or overhead wires. Most items are picked up by a knuckle-boom truck which requires there be no overhead obstructions such as low power and telephone lines.
4. No bagged leaves. These should be picked up on your regular trash day.
5. We CANNOT pickup tires, batteries, paint cans, shingles, demolished building materials, cardboard, cross ties, paper trash, any hazardous materials, or trash bags. This service is only for large items which cannot be disposed of using our regular pick-up. For Hazardous Materials, see the section listed under the Sanitation Department webpage at [www.cityofarkadelphia.com](http://www.cityofarkadelphia.com).
6. Commercial customers are allowed one pickup per quarter. Fees for extra commercial pickups, or for tree removal spoils are set at a minimum of \$75.00 per truck trip to the site plus land fill fees (\$25.75 per ton or \$44.00 per ton if paper products are mixed with the debris.)

For a Large Item Pickup you may call at anytime to the special pickup line, **870-246-1804**. If you get the answering machine, please leave a clear message stating the address and a brief description of what is to be picked up.

Office hours are Monday through Friday, 8:00AM to 5:00PM.
